

Referral Program Policy

- **Eligibility:** The LiveFive Referral Rewards Program is open to all existing clients and non-client advocates. Employees of LiveFive are not eligible to participate.
- **Referral Reward:** For each new client referred to us who signs a contract for a new website or website revamp, the referrer will receive a reward of \$100.
- **Unlimited Referrals:** Participants can refer as many new clients as they wish. There is no cap on the number of referrals or rewards.
- **Reward Payout:** The referral reward is payable only after the referred new client signs a contract with LiveFive. The reward will be processed and paid within a specified period (30 days) after the contract signed by client.
- **Referral Tracking:** Referrers must ensure their referrals mention their name. This is crucial for tracking and validating the referral.
- **Program Scope:** The referral program is applicable only for new website creations and website revamps. Other services offered by LiveFive are not included in this program.
- **No Retroactive Referrals:** Referrals are only valid if made before or during the initial consultation of the new client. Referrals made after the new client has signed a contract are not eligible for the reward.
- **Modification and Termination:** LiveFive reserves the right to modify or terminate the referral program at any time, with or without notice. However, any qualified referrals made prior to program changes or termination will be honored according to the policy in effect at the time of the referral.
- **Compliance with Laws:** All participants must comply with all applicable laws and regulations, including tax laws. The responsibility for any tax implications of the reward lies with the recipient.

By participating in the LiveFive Referral Rewards Program, participants agree to these terms and conditions.
